Tetrahydrocannabinol Disclaimer

North Field Pharmacy’s industrial-hemp derived supplements, and the majority of industrial-hemp products on the market, contain a naturally occurring trace amount of tetrahydrocannabinol (THC). The amount of THC in our products never exceeds 0.3% concentration by weight, per state and federal regulations and definitions of industrial hemp, and while it is highly unlikely that one would fail a traditional drug test from using our products, that possibility cannot be ruled out. Taking excessive amounts of industrial hemp products, the type or method of drug test utilized, and an employer’s or organization’s requirements and policies, among other things, are factors that may influence drug test results. By agreeing to these Terms and Conditions and placing an order with us, you are indicating that you understand that failing a drug test is a possibility when using industrial hemp products, and that you waive the right to make a claim against North Field Pharmacy for any matters related to any drug test you take or the results of any such drug test, including the loss of employment or any employment opportunity or the imposition of a civil or criminal penalty.

Shipping & Delivery

We generally ship items within one business days of our receipt and acceptance of an order. If there is a delay affecting our ability to ship generally, we will attempt to conspicuously post that fact on this site or communicate with you via email.

We fill United States orders using USPS First Class Mail via Ship Station. These USPS options do not have guaranteed delivery times. We also offer USPS Priority options at checkout.

Unless otherwise expressly agreed in writing, TIME IS NOT OF THE ESSENCE, and any delivery date requested or provided is an estimate only. North Field Pharmacy is not responsible for delays or for non-performance resulting from causes beyond its reasonable control, including without limitation laws, rules, regulations or acts of any government, embargoes, blockades, armed conflict, terrorism, labor disputes, delays of carriers or suppliers, shortages of material, accidents, fires, floods, weather conditions and any other acts of God.

Unless otherwise noted on this website, delivery of products is FCA (Incoterms (2020), the international rules for the interpretation of trade terms of the International Chamber of Commerce) North Field Farmacy's facility where the products you order are located at the time of shipment. This means that you will be charged for the cost of shipping, and title and risk of loss will pass to you upon North Field Farmacy's delivery of the products you order to the U.S. postal service or courier service.

International Sales

We do not currently ship outside of the United States.

Returns/Refunds Policy

We understand that you may need to return a product. Should you feel the need to do so, you have 30 days from the date of purchase to initiate the process. You will need to return the product for a full refund. Please contact us at the link on our website.

Lost Packages

If a package is lost after we ship it, which does occasionally occur, North Field Farmacy will not be responsible if the tracking information lists the order as "delivered," which means USPS delivered the product to the address specified. If the package is sent to an address other than the one you specified, upon return of the original package to North Field Farmacy, we will reship the order. Please note that North Field Farmacy is not responsible for errors of USPS or courier services, or if you provide or confirm an incorrect address. It, therefore, is very important that you ensure that the address you give to us is exactly correct, as any mistake could delay delivery and will entail extra expense to you.

Product Defects & Damaged Packages

We allow three days from the date of delivery to notify us if there is any type of defect with a product or if the package it was in was damaged in transit. If we aren't notified of defects or damages within the three-day window, it is understood that the package and products were in good condition upon delivery.
